

COVID-19 WAIVER

By entering Quality Hill Playhouse (QHP), you agree to our COVID-19 Waiver.

Pandemic illness is present throughout the nation, and the greater Kansas City metropolitan area is a particularly high risk region. Persons should not enter QHP if they are exhibiting signs of illness or have been in contact with someone exhibiting signs of illness, especially COVID-19.

By entering QHP, the person entering acknowledges that they and their party could increase their risk of contracting pandemic illness for themselves and for others. The bearer of the ticket (or their parent or guardian) acknowledges that QHP will carry out preventive screening of event participants, staff, and attendees but cannot eliminate all risk to anyone entering the building. Refusal of bearer and/or their party to provide proof of vaccination, wear a mask at all times, and follow other instructions by QHP staff will cause the bearer to lose the privilege to attend the event without refund. The bearer of the ticket (or parent or guardian) assumes all risks and responsibility for any pandemic injury to the bearer and their party, including illness, damage, loss, claim, disability, death, liability, or expense incurred in the event. The bearer (or their parent or guardian) agrees to release and hold Quality Hill Playhouse harmless of and from the claims, liabilities, actions, damages, costs, and expenses for any pandemic injury.

With receiving this waiver, I and my party affirmatively consent to this acknowledgement and waiver.
